This is as part of the finals.

Permission will be given for the use of filming equipment to be placed and secured, on or in your vehicle. This will be part of scrutineering and must be passed by a scrutineer.

Vehicle car/bike: _____

Competition No: _____

Terms & Conditions:

Only on the understanding that all footage will be subject to COPYRIGHT to the CVMRC.

This will only be involved if the footage taken can or would be used for general media coverage.

The following is a sample of what we would be against being used: Coming upon a serious accident, injury and abusive language.

We are not wanting sole copyright to all footage, only footage that might bring the club and the sponsors into disrepute (bad press). What constitutes as disrepute rests with the officials of CVMRC.

This will rest with you to inform us of any footage that falls withing the above guidelines.

Any equipment installed in or on your vehicle that has NOT been given permission and scrutineered, will be required to be removed. Failure to remove equipment working or not will be removed by a scrutineer official and held until the end of the event.

If you **do not** agree to the above terms, permission will not be given for camera equipment to be installed in or on to your vehicle.
